

How Do I Get My High School Certification in NH?

The GED high school certification ended in New Hampshire in January 2013. In its place the NH Department of Education chose the HiSET. This certification is recognized nationwide. You can study for the HiSET exam and take the exam at the Gafney Adult Learning Center.

The Gafney rents space at the Greater Wakefield Resource Center (GWRC) in Union on Route 125 at the railroad tracks (big white building) to hold the learning center drop-in program every Wednesday from 3:00 to 7:00 pm. You can drop in any time during that period and meet with tutors who will help you study for the HiSET exam. An assessment will be given to determine where to begin your studies, materials are provided free, tutors will help you progress to the point where you can take a pretest to determine readiness for the actual HiSET formal test. Our goal is to help you succeed!

The formal HiSET test is given on the third Thursday of each month, again at the Greater Wakefield Resource Center. **Preregistration is required at the literacy drop in center by 5:00 pm the Wednesday night before the test.**

Call Literacy Coordinator and Career Counselor Rosemary Stewart at 986-1116 for more information.
